

At Idaho[®] Potatoes,
we believe every exceptional recipe makes a personal
statement about the Chef who created it.

The Chef: Jason Santos, *Blue, Inc.*, Boston, Massachusetts.

The Recipe: "Breakfast." Pan seared Idaho[®] Potato cylinders, bacon purée, crispy soft egg and radish-mimolette salad.

The Statement: Cuisine that seamlessly combines Asian, French and traditional American flavors with dazzling visual and textural twists. Says the Chef, "You have to systematically create complexity. It sets creativity free."
