

IDAHO POTATO PULSE

Brought to you by the Idaho Potato Commission

Website: www.idahopotato.com

Please see the attached Idaho recommendations and plan of action for zebra chip and potato psyllid management for the 2012 potato growing season.

Please contact us (Phil Nolte, Erik Wenninger, Mike Thornton, Nora Olsen, Jeff Miller of Miller Research, or Andy Jensen of the ID/WA/OR Potato Commissions) if you have any questions or comments regarding the plan.

Also attached are two references for the recommendations:

- 1) psyllid identification card and
- 2) PNW psyllid and zebra chip management recommendations.

This information also will be posted at multiple websites and PNWPestalert as indicated in the recommendation plan.
