

# IDAHO

IS THE ONLY LANDLOCKED STATE WITH A  
SUBMARINE BASE  
*SO...*

## **WHY ON EARTH IS IT KNOWN FOR POTATOES?**

Maybe it's because when potatoes are grown in Idaho's rich volcanic soil, ideal climate, and mountain-fed irrigation they offer a texture, taste, and dependable performance beyond compare. Or maybe it's one of the many other reasons you can find at [IDAHOPOTATO.COM/RETAIL](http://IDAHOPOTATO.COM/RETAIL).
