

PROJECT

REINVENT

OBJECTIVE: A Fresh take on the classic chip.
INVENTOR: Kelsey Fukushima, Head Chef, Ninkor & Carl's Atlantic, Washington, D.C.
REINVENTOR: Franca Petrosi Chip

INGREDIENTS

- 2. Idaho® Potatoes (Organic)
- 1/2 cup salted fry oil
- Sea Salt
- 1 C. Water
- 5 Tsp. White Onions or Onion-Agar Powder

SUMMARY

An amazing snack choice, the common potato chip, has been reinvented to the lowest, well, a computer chip. But much simpler, of course. Your guests will be raving at how you did it. But at the heart of this reinvented reinvention is the good, honest, hard-farmer, Idaho® Potatoes. For the and other slightly rare corn-in-mouth recipe reinventers, visit our the Web.
